About the Company

▶ AL TAKMEEL ELECTROMECHANICAL WORKS LLC is a leading electromechanical contracting company based in Dubai, UAE. Established in 2016, we have rapidly emerged as a prominent player in the industry, thanks to our commitment to excellence and dedication towards providing high-quality services to our clients.

▶ With over the years of experience, we have completed more than 70 projects across diverse industries, cementing our position as a reliable and trusted partner for all types of electromechanical works. Our expertise lies in offering turnkey solutions for various projects such as residential buildings, commercial complexes, industrial facilities, and more.

we believe in upholding the highest standards of professionalism and quality. We strive to deliver innovative and sustainable solutions that not only meet but exceed the expectations of our clients. This is reflected in our Platinum category DEWA (Dubai Electricity & Water Authority) approval - a testament to our competence and reliability.

Our Mission and Vision

We follow our mission and vision from our day we came into place

Mission

Our mission is to provide exceptional electromechanical works through the integration of cutting-edge technology, skilled craftsmanship, and meticulous attention to detail. We strive to exceed our clients' expectations by delivering reliable and efficient solutions that optimize the performance and longevity of their systems. With a commitment to safety, professionalism, and environmental responsibility, we aim to contribute to the advancement of the electromechanical industry and create long-term value for our stakeholders.

Vision

To be a leading provider of innovative and sustainable electromechanical solutions, delivering excellence in quality and customer satisfaction.

Our Goals

We set our Goals to improve ourself

Goal # 1

Be a Market Leader

Goal # 2

Enhancing Quality &
Delivery Regularly
